MARBLECast Products, Inc.

welcomes you to our full-service manufacturing production facility.

Custom sculptures have been created for centuries and can be seen worldwide in public and private settings. Art has always been a representation of life . The styles of art from past history show us a little about the people who existed during the times of those art creations. The art form of sculpture is not an exception to this concept.

Allow us the opportunity to offer you our combined talents, proud workmanship and experience, whether your need is for classical [white marble](#) or [bronze](#).

See our *customer testimonials* , browse our [portfolio](#) , visit our *facility* online and see our *artists* at work, then let us know how we can be a part of your [next custom project!](#)

As your personal production facility specializing in marble and bronze artwork, MARBLECast offers the most competitive pricing for [custom sculpting service](#) , [mold building](#) and [casting service](#) all under one roof!

Each of these services is an art form in itself and requires intense dedication and understanding of each.

Our amazing staff of master artisans work together to understand each others flow, lines, definition and movement, resulting in the creation of original sculpture that not only may pay tribute to a particular person, but sculpture that will become a historical or family heirloom for years to come.

B 2 B Services

As a full service production facility, MARBLECast has the flair of re-creating images and essences you wish for using the uniqueness of MARBLECast Material.

Many companies and organizations can successfully take advantage of the MARBLECast experience.

Allowing MARBLECast to be your personal production and fulfillment center creates the perfect combination for assisting corporations; non-profit and for-profit organizations take an idea and turn it into a 3-dimensional statue or architectural enhancement.

The image would be representational of the organizations purpose or symbol and used in fund-raising activities, as gifts to successful partnerships or recognition and for retail as well.

Here are some detailed examples...

- Company's logo can be reproduced in a 3-dimensional form, cast in our MARBLECast Material, and used for gift-giving or for award-giving. Figure can also be placed on marble base with room for a personalized engraved plate.
- Church can have their monument sized statue reproduced in a smaller size, normally about 12" tall, and used for fund-raising activities.
- Fraternal organizations can have a custom created symbolic statue sculpted, molded and then reproduced in the hundreds to help with their fund-raising activities.
- Memorial companies can offer their customers the ability to have a custom sculpted statue or image made for their memorial setting.
- Plain flat marble slabs can be made for engraved words; edges can be routed, it can be made to look old and chipped like an ancient wall fragment, a wall-hanging part can be added on the back.
- Marketing companies can use our services to create customized items for their customers marketing efforts.
- Popular areas across the world can have their sites or art reproduced for resale.
- Schools can have their mascots reproduced in large or small sizes for fund-raising efforts or to just have available as graduating gifts or to alumni.
- Specialized shops can have hot-sellers reproduced at our facility instead of going through importers or third-world country manufacturing facilities...at less quantity requirements.
- Artists and sculptors can certainly have their pieces reproduced in our material, even drop-shipped to their customers...in large or small quantities.
- Online retailers can add any of our standard products to their shopping carts, remember... we drop-ship too.
- Other manufacturers can have parts made from MARBLECast Material
 - Such as furniture manufacturers, lighting manufacturers, staircases, balusters, tiles, trims, art objects, columns...

Entrepreneurial business ideas along with the need of a production facility that will be making the products for them at best cost and less quantity minimums than those offered

- Advertising companies can use us to have their customers 3-D or 2-D idea produced
- *Tourist area shops can ask us to a one-of-a-kind product made because they know it does not exist elsewhere, therefore, allowing for great retail sales.*
- *Properties with life-size and monumental-sized statues that know they could sell smaller reproductions of the large ones in their gift shops.*
- *Interior Decorators can call on us to ask about their customers wants, such as a larger version of a piece found in our store, or something custom made appropriate for the environment.*
- *Hospitals are always looking for gifts to give to large donators; customized statues can be made or picked from our store.*
- *Associations are plenty...the ideas here is endless*

Gift Ideas...

A distinctive, design-themed gift not only says, “ **Thank you for a successful year** ,” it also projects your professional image. Here, you can find your perfect gift, some are stylish, classical, practical, and intriguing gifts, available at corporate rates to qualified buyers.

Remember....MARBLECast Material can be used for both indoor and outdoor beautification!

We are so confident of our workmanship and quality that we offer you the following guarantee. Should you find another company in the U.S. able to reproduce your item in white marble casting materials such as ours for less, we will beat their price by 5%.

Commissions

Commissions, whether private or commercial, begins with a prototype. The personalized service you will have comes from our team of departments.

An in-house artist will be chosen to assist you in creating the original figure and style. From the prototype we can manufacture a high quality mold and prepare it for casting. The end result is your piece of artwork skillfully re-created into solid white marble or Bronze.

Commissions are priced and quoted on an individual basis, due to the nature of the piece work, design and detail. The following works are part of the commissioned project and are combined in one quote.

- sculpting charge
- molding building charge
- cost per finished statue
- add-ons
